1. God doesn't call the qualified, He qualifies the called

- A Woman
- A Samaritan
- In sin

Romans 5:8 - But God demonstrates his own love for us in this: While we were still sinners, Christ died for us.

2. Being spiritual vs being religious

- She knew the scriptures
- She was hungry for the real thing
- She recognised Jesus

3. Leadership from personhood, not position

- Authentic about her weaknesses
- Pointed to God
