

# Clay in the Potter's Hands

## Jeremiah 18:1-11

Jeremiah, the weeping prophet

# The potter's house

It wasn't the Potter's skills or purpose that was in question, it was the **quality of the clay.**

- The sovereignty of God basically means the following:
  - God is in control.
  - God has supreme power.
  - God is the Lord of the universe and everything in it.
- ***He is the Potter and we are His clay***

Even as God is **all powerful and in control**,  
the good news is that He is also full of  
**grace and mercy.**

Turn away from sin; Turn towards God

# How to have true repentance?

1. Ask God for it – it is a gift from God

2. Be aware of the relational aspect of sinning. It is not performance, but whom we have offended against.

3. Dwell in the glory and grace of God. The more we do that; the more sin is something to weep over.
